KC Legends SuperSkills & Spirit training program is a proven program that guarantees your child incredible individual skill and a stronger character. Every player is taught the power of positive thinking, a great repertoire of dribbling fakes and moves plus shooting with power, accuracy and touch. The program is designed to prepare players to stand out at tryouts from now through high school and college, plus take a positive, goal orientated approach to life. The KC Legends club is the most successful ever in the KC Metro area. With club alumni on National Teams, in MLS, Italian Series A, the NPSL and Major Colleges, the foundation for this tremendous history of individual achievement is the superior skill training and psychological focus for life that the players develop. Your child's individual success as a result of
